

Water Garden Pumps

NEW!

DHP Series

Debris-Handling Pumps

3 Year
Limited Warranty

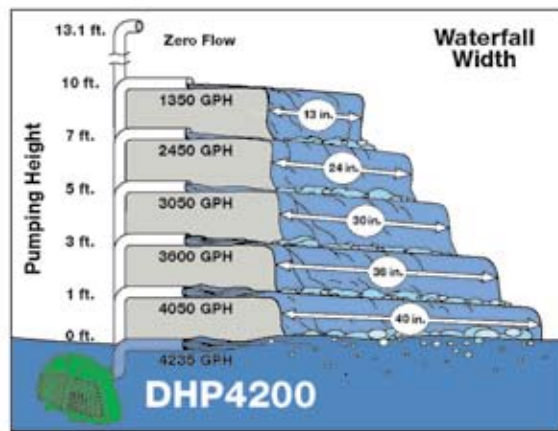

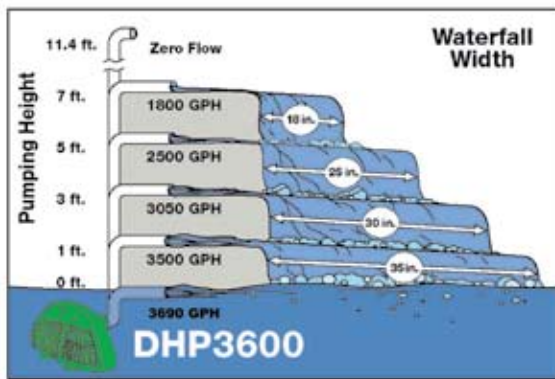

- Rugged debris-handling impeller
- Can pass 1/4 in. debris without clogging the pump
- Large basket minimizes blockage and maintenance
- Energy efficient uni-directional impeller and motor (asynchronous motor technology)
- Wear-resistant and anti-corrosive ceramic shaft for longer life
- Epoxy encapsulation protects motor from water intrusion
- For maximum flow use 1 1/2 in. ID tubing. Also fits 1 1/4 in. ID tubing

15 ft. cord

120 VAC

60 Hz

DHP Pump Selection Guide

Model	maximum flow	pond size	maximum pumping height	outlet size	energy consumption
DHP3600 Item #26569	3690 gph	3000 gal	11.4 ft	1 1/4" - 1 1/2"	199 watts
DHP4200 Item #26570	4235 gph	4000 gal	13.1 ft	1 1/4" - 1 1/2"	233 watts
